

# EMT Hybrid Course- Spring 2020

(EMT courses MUST register at [www.mccc.edu](http://www.mccc.edu) or call 609-570-3311)

## Emergency Medical Technician (EMT)

**Prerequisite:** All students must obtain a Health Care Provider Level CPR card prior to the start of the class. Students will need to obtain a Stethoscope, B/P cuff and penlight for use both in lab and for independent practice.

During the 225+ hour Emergency Medical Technician (EMT) course, you will learn about human anatomy and physiology, pathophysiology, patient assessment techniques, management of common medical complaints, management of the trauma patient, administration of limited medications, and concerns for special patient populations. Course material will be presented through lectures, simulation labs, and clinical rotations where students will interact with patients. Successful course completion requires obtaining the minimal level of competency as outlined in the National EMS Educational Standards. After successfully completing this course, students will be eligible to sit for either the NJ EMT Certification Exam or the National Registry EMT Certification Exam to obtain certification.

There is a 4-hour weekly lab session on Monday nights in addition to four Saturday lab exams. In addition to the weekly lab sessions, students should anticipate spending a minimum of 10 hours a week completing the online learning component and reading assignments.

Attendance at all sessions and keeping up with the online content is mandatory. Textbook is required and is available in the college bookstore.

**Tuition: \$1,425.00**

**January 27th –May 11<sup>th</sup> every Monday night\***

**16 sessions: Mondays - 6:30pm - 10:30pm; 4 Sessions: Saturdays 2/22, 3/21, 4/4 & 5/9 - 8:30am-4:30pm  
10 hours per week of online work.**
