FALL 2020 FIREFIGHTER I PROGRAM

APPLICATION PACKET

APPLICATION DEADLINE: **August 10, 2020**

FULL PROGRAM BEGINS: **August 17, 2020**

MAXIMUM CLASS ENROLLMENT: **15**

PROGRAM DESCRIPTION:

The purpose of the Firefighter I course is to provide entry-level firefighters with the knowledge and skills to meet the minimum job performance requirements for paid and volunteer firefighters. Firefighter I candidates must demonstrate the knowledge and skills necessary to function safely and effectively as an integral member of a firefighter team. When engaged in hazardous activities the certified Firefighter I operate under direct supervision.

This course is designed to comply with N.J.A.C. 5:73-4.3 and utilizes curriculum designed to accompany the Jones & Bartlett Fundamentals of Firefighter Skills, New Jersey Edition (3rd Edition) which is based on the 2008 Edition of NFPA Standard 1001, Standard for Firefighter Professional Qualifications.

Those candidates who successfully complete the entire course requirements; and successfully pass the NJ Division of Fire Safety Firefighter 1 written examination will receive a certificate of completion from the Academy. A copy of this certificate, with a completed certification application, can be submitted to the NJ Division of Fire Safety for a Firefighter 1 certification.

(ALL APPLICANTS MUST BE 18 YEARS OLD AT START OF CLASS.
THERE WILL BE NO JUNIORS IN THIS CLASS)

*****Please note that admission to this program is contingent upon the submission and satisfactory completion of the Application Form and all pre-requisite information*****

PROGRAM SCHEDULE:

Monday, Wednesday and Thursday night classes ~ 18:30 to 22:30 hours
Saturday classes ~ 08:30 to 17:00 hours

The course is approximately 5 months in duration, attending class three nights a week and occasional Saturdays.

PROGRAM LOCATION:

Address: Mercer County Fire Academy
Captain John T. Dempster Fire Service Training Center
350 Lawrence Station Road
Lawrenceville, New Jersey 08648

Office Phone: (609) 799-3245

Facsimile: (609) 799-1549

PROGRAM COST:

Mercer County Chief's Associations Departments: **\$225.00**
All Others: **\$325.00**

ATTENDANCE, MAKE-UPS AND SUBSTITUTIONS:

Attendance and satisfactory completion of **ALL lecture modules are mandatory to take the New Jersey Firefighter 1 Exam.** Departure before the conclusion of a class will be considered an absence, unless prior arrangements have been made with the Course Coordinator. **Make-ups are the responsibility of the candidate.** Any certified NJ Fire Instructor (Level to be determined under N.J.A.C.), with the approval of the Academy, may complete make-ups. When a class is missed, the candidate must contact the FF1 Coordinator to obtain a make-up form. The instructor making the module up with the student is expected to contact the Academy to obtain the necessary materials for instruction. The Fire Academy may validate student learning comprehension through the use of a quiz or evaluation.

****Candidates who are absent more than four (4) class sessions will be removed from the program and must repeat the entire course. (Saturdays will be counted as two class sessions)**

****Please note that if the candidate is late for two (2) class sessions, the candidate will be charged with one (1) class absence.**

Students removed from the program by the Fire Academy will not be eligible to receive a refund. Students who must withdraw shall notify the Course Coordinator immediately.

STUDENT WORKBOOK ASSIGNMENTS:

Student Workbook assignments are a means to encourage the candidate's self-study and a method to measure material comprehension. Candidates are expected to complete assignments by the designated due dates.

SKILLS EVALUATIONS:

Every candidate is required to satisfactorily complete various skills evaluations. The skills are based on the performance requirements found in N.J.A.C. 5:73-4.3 and N.F.P.A. 1001. These are designed to be pass/fail. Candidates will be evaluated during the delivery of the specific modules for progress and will have to satisfactorily complete the designated skills during a designated evaluation.

CLASS SUSPENSIONS/WEATHER CLOSINGS:

Announcements regarding the suspension of classes will be communicated in the following manners:

- Class postponement announcements regarding all weather or emergency related postponements, will be made by Mercer County Central Communications over Mercer County F-1 (154.430) during the morning and/or afternoon "Out of Service" reports.
- Students will be contacted utilizing provided contact information (e-mail/telephone).
- Cancellation signs will be posted at the Fire Academy main entrance and at the classroom.

Every effort will be made to reschedule suspended classes as soon as reasonably possible. Candidates will be informed of the reschedule date.

DRESS CODE:

Firefighter I candidates will be required to wear a class "B" type uniform. The uniform will consist of a Navy Blue T-Shirt (one will be provided by the Academy), Navy Blue Pants ("Dickies" style or similar), Black Belt, Black Shoes and/or Boots as provided by the candidate. Hats are not permitted in the classroom. In colder temperatures, candidates may furnish their own navy blue sweatshirt for warmth. No shorts, cut-offs, skirts or dresses are permitted. All loose jewelry shall be removed prior to arriving at the Dempster Center. No earrings, necklaces or bracelets shall be permitted during live fire training. Note: Medic Alert bracelets and necklaces are acceptable if properly covered. The Fire Academy is not responsible for personal articles that become damaged, lost or stolen.

PROTECTIVE CLOTHING, PROTECTIVE EQUIPMENT AND SCBA:

The use of protective clothing and equipment is strictly enforced at the Dempster Center. All equipment and clothing shall meet all applicable NFPA, OSHA and PEOSHA standards and regulations. Candidates are expected to provide their own equipment based upon the requirements of the course or class. Protective equipment, when necessary for class, shall be stored in the apparatus bay when not in use. No boots or turnout gear is permitted in carpeted areas of the Training Center. **HELMET CAMS ARE PROHIBITED ON THE DRILL GROUNDS.**

PERSONAL GROOMING AND LIVE FIRE AND/OR SCBA EVOLUTIONS:

Candidates with a beard of any kind or excessive facial hair shall not be permitted to participate in any courses that require the use of Self Contained Breathing Apparatus (SCBA). This includes any flammable gas or liquid evolutions. This is according to OSHA 29 CFR 1910.134, NFPA 1500 and Sec. 5-3.10 PEOSHA. Any candidate participating in Live Fire Training, who has hair that extends below his or her collar, must arrange their hair so that it does not fall below the collar. Hair enclosed in an OSHA/NFPA approved hood is acceptable.

PHYSICAL QUALIFICATION OF CANDIDATES:

Due to the physically demanding nature of Firefighter I training evolutions, candidates must receive medical clearance to participate in the Firefighter I program. **The attached Medical Clearance Form will be provided to the Academy confirming that a physical evaluation has been satisfactorily completed by a licensed physician. The Academy may require additional documentation as necessary.**

CANDIDATE CONDUCT:

Candidates shall be courteous and disciplined at all times. Proper decorum shall be observed at all times toward fellow candidates, Dempster Center staff, College staff, and instructors. Instructors will be addressed utilizing the title "Instructor" or by using the individual instructor's rank title in his or her respective department, for example, "Instructor Smith" or "Chief Smith". The use of instructor's first names is not acceptable. Candidates will be responsible for maintaining all books, equipment, apparatus and buildings made available for their use. The following are prohibited; abusive, profane or obscene language or behavior; horseplay or any disturbance while on fire academy property; any form of gambling; sexual harassment; use, possession or introduction of any intoxicants; or reporting to class under the influence of intoxicants, fighting, stealing, cheating on quizzes or exams. Candidates are also expected to refrain from disturbing other training sessions or evolutions. Anyone who exhibits the aforementioned will be expelled from the Training Center and its property. Books, papers, equipment or other materials on the instructor's desk, podium or chalkboard are for the use of the staff only.

Candidates on medical leave or suspension from their sending organization will not be permitted to attend class until written communication is received from the sending organization re-instating the candidates to training activities. **The student is expected to notify the Fire Academy staff immediately if this situation exists.** Failure to notify will result in removal from the program.

TOBACCO USE:

Smoking is not permitted within any of the Academy Buildings. Smoking is authorized in outside areas. All smoking materials shall be disposed of properly. Students are prohibited from using chewing tobacco during classroom instruction and training ground evolutions.

RADIOS, PAGERS, PHONES AND ELECTRONIC DEVICES:

All radios, pagers or scanners will be silenced or turned off during all class sessions. **Cellular phones are to be silenced or turned off at all times.**

ADDITIONAL ASSISTANCE:

Any candidates requiring additional educational assistance are encouraged to notify the course coordinator or individual instructor. Within reason and permissible by NJ Division of Fire Safety guidelines some assistance may be available.

PERSONNEL ACCOUNTABILITY OPERATING PROCEDURES:

This procedure is designed to establish a means to track and locate all Firefighter I candidates during program evolutions. It is further designed to introduce and indoctrinate candidates to the consistent use of an accountability system.

- 1) Every candidate will be issued two personal accountability tags (PATs) to maintain and have in their possession for the duration of the Firefighter I class.
- 2) Upon reporting to the Fire Academy, each candidate will affix his/her tag to the accountability board in the designated classroom or in the apparatus bay.
- 3) At the completion of each class, the lead instructor or his/her designee will return the PAT to the candidate or instruct the candidates to retrieve their tag.
- 4) When performing practical evolutions and exercises, the first tag will be deployed as described above. The second tag will be surrendered at a collection point designated by the Lead Instructor to simulate entering the hazardous area or structure.
- 5) Upon completion of the exercise, the candidate will immediately retrieve his/her tag from the collection point.
- 6) At all times, candidates will not work in less than teams of two. Additionally, if candidates are assigned as a crew to a specific task, it is imperative that they stay together as a crew. Freelancing will not be tolerated and will cause the candidate's removal from the evolution or exercise with make-up required.
- 7) In the event that a candidate(s) is unaccounted for, the Lead Instructor will immediately be notified. The Lead Instructor shall allocate the necessary resources to locate the candidate(s).
- 8) Candidates without PATs will be recorded as present in regards to attendance for lecture portions; however, they will not be permitted to participate in any evolutions and will be required to make-up the activities missed.

*Candidates who lose their PAT must immediately report the same to the primary instructor or course coordinator for a replacement tag. Candidates will be assessed a \$5.00 fee for the replacement of each tag.

REQUIREMENTS FOR ADMISSION TO THE PROGRAM:

****ALL APPLICANTS MUST REVIEW & FOLLOW THE ATTACHED MCFA COVID-19 GUIDELINES****

The following criteria must be met to be eligible for placement in the Firefighter I program. Meeting the criteria for selection does not guarantee admission to the Firefighter I Program. **ALL STUDENTS MUST BE 18 YEARS OLD.**

PLEASE FOLLOW ALL THE LISTED REQUIREMENTS:

- 1) ****Complete the FIREFIGHTER I APPLICATION (attached). PRINT LEGIBLY!!!!!!**
- 2) ****All candidates must be a member of an emergency services agency that is able and willing to provide personal protective equipment and self-contained breathing apparatus.**
- 3) ****All candidates must be 18 years of age (NO JUNIORS). Candidates are required to submit A COPY OF THEIR BIRTH CERTIFICATE OR DRIVER'S LICENSE to verify their age.**
- 4) ****Provide a fully completed MEDICAL CLEARANCE FORM (attached)**
- 5) ****Provide a copy of your RESPIRATORY PROTECTION FIT TEST FORM. Please provide a copy of the documentation from the test provider (subject to Fire Academy acceptance).**
- 6) ****Ensure that your sending organization has a current CERTIFICATE OF INSURANCE on file at the Fire Academy. No personnel will be allowed to participate in any training evolutions without proper insurance coverage as provided by their respective agency.**
- 7) ****Complete and submit the FIRE DEPARTMENT ADMINISTRATION MODULE FORM (form attached). N.J.A.C. 5:73-4.3 identifies training objectives that are specific to Candidate's sending department. Those objectives are:**
 - a. Describe the organizational structure of your fire department.
 - b. Explain the Firefighter's role as a member of your fire department; explain the rules and regulations that apply to the position.
 - c. Explain the mission(s) of your fire department.
 - d. Explain the function of your standard operating procedures and provide those to the firefighter candidate.
 - e. Candidates will be provided Introductory Incident Management System training; however we request that the candidate receive an explanation of the basic components of your local incident management system and the firefighter's role(s) within that system.
 - f. Explain the role of other agencies that may respond to emergencies with your department.
 - g. Describe the components of a member assistance program if your department provides one.
- 8) ****Provide a copy of your Cardio Pulmonary Resuscitation (CPR) – Professional Rescuer Level certification. Students that cannot provide a CPR card with their application packet will be required to attend the MANDATORY CPR Training session on August 22, 2020 at 08:30 hours.**

****Failure to provide necessary documentation or comply with the above requirements will result in denial of the application or removal from the program!**

Applicant's Certification Section

(To Be Completed by the Firefighter 1 Candidate)

The undersigned certifies that the information provided in this application packet is correct to the best of their knowledge. The undersigned consents that he/she has read, understands and will comply with the policies and procedures outlined in the Firefighter 1 Program Application Packet. The undersigned understands that participation in the Firefighter 1 training program involves strenuous physical activities and that he/she will be allowed to participate only if they have been examined by a physician who certifies that they can safely perform interior structural firefighting activities without injury. The Mercer County Fire Academy has no knowledge of the undersigned's physical condition or abilities and must therefore rely upon the candidate's representation and the representation of the physician that he/she can perform Firefighter 1 training activities. The signature below indicates that the undersigned understands that he/she is assuming all risk connected with participation in this training, that he/she has been informed that the Mercer County Fire Academy, its agents and employees, the Mercer County Community College and the County of Mercer assumes no risk or responsibility from all damages, injuries or claims arising from participation in the Firefighter 1 Program. The undersigned further certifies that no significant changes have occurred in his/her medical condition since he/she was examined by the physician whose signature appears on the enclosed medical release form.

Mercer County Fire Academy COVID-19 Guidelines

The following COVID-19 safety guidelines are provided for fire academy training to prevent the spread of COVID-19.

COVID EXPOSURE:

Staff and students must report if they have been exposed or believe they have been exposed to a known COVID-19. Exposure at any level, MUST be reported by staff and/or students immediately, and in the interim, all contact with students and staff must be minimized.

****SELF-MONITORING AND EXPOSURE REPORTING:**

All staff and students must adhere to a regimen of self-monitoring. Prior to reporting to the academy, each shall take their temperature to ensure they do not have a fever as per the guidelines set forth by the CDC. It is essential to recognize the signs and symptoms of COVID-19 as soon as possible and to respond appropriately. Staff and students shall monitor and regularly check for:

Fever, diarrhea, cough, chills, shortness of breath, shivering, sore throat, muscle pain, malaise, loss of taste, and loss of smell.

Any staff or student exposed, or who believes they have been exposed are to report this as soon as reasonably possible, and in the interim, all contact with students and/or staff shall be minimized.

Any staff or student who is symptomatic, and/or has tested positive for COVID-19, shall isolate themselves for no less than fourteen (14) calendar days.

MINIMIZING EXPOSURE:

Class Meetings/Training: Classes and assembly shall last for only the time necessary. The Academy shall institute a wide variety of procedures to help minimize the potential for virus spread. Each of these will be exercised regularly and where and when practical.

Training Area: Academy staff and students are to be the only persons within the classroom and/or training area. All others are prohibited.

Self-Monitoring: All staff and students shall self-monitor and report if any concerns arise.

Evaluation: All staff and students shall have a fever and symptom check evaluation completed upon arrival at the academy prior to each session and it shall be logged on a fever and symptom check evaluation form for the record. The fever check shall be administered to the academy staff first and then students to ensure their temperature is not higher than 100.4 F (38 C) as per CDC's definition of a fever.

Social Distancing: All staff and students shall be arranged and maintain as close to six feet (6') apart whenever practical. Social distancing practices shall be utilized during meals, breaks, and student/staff congregating.

Group Minimization: Classes shall be broken into smaller groups and squads where and when practical. Squads will be no more than eight students.

Monitoring of Training Session: Staff will monitor the students, frequently communicating and reinforcing safety measures to ensure that safety protocols are being practiced.

Illness/Injury: At any time that a staff member or student presents with any illness or injury, appropriate first aid shall be rendered consistent with Academy policy. Any member that presents with symptoms consistent with COVID-19 shall be treated as possibly infected and all appropriate precautions shall be taken.

Physical Barriers: The wearing of face covering shall be required for all indoor classroom/indoor buildings and when feasible in practical training.

PPE Requirements for Staff and Students:

Face Covering/Protective Mask - During all aspects of training/testing unless actively utilizing Self Contained Breathing Apparatus (SCBA) or during Physical Training (PT).

Gloves- To be used during all aspects of training/testing which involve contact with training equipment.

Eye Protection- To be worn during all aspects of training/testing outside of the classroom unless actively utilizing SCBA or during PT training.

Turnout Gear- To be worn during all aspects of training/testing.

Staff and students shall be aware of sound practices:

Hygiene:

- Covering sneezes/coughs.
- Hand-washing with soap and water minimum of 20 seconds.
- Use of hand sanitizer.
- Refrain from touching face.

Cleanliness:

- Firefighter PPE is to be stored as distant as possible from other PPE.
- Staff and students are not to handle any Academy or other students/staff's equipment without nitrile or firefighter gloves.
- Hand washing shall be provided for staff and students to utilize as needed.
- All equipment / PPE shall be sanitized or cleaned as needed.

- When operating in any facility, students shall be instructed to maintain the PPE until they have completely exited the facility at which time gloves, coats, etc. may be removed with social distancing practices in mind.
- Any session will require the appropriate PPE.
- Whenever practical, all operations shall remain as similar to pre-COVID operations, in so much as when proper PPE is already in place, i.e. firefighter turnout gear and SCBA, in order that students develop proper psychomotor skills.
- Upon dismissal, students should be reminded that once they arrive home, they should wash and decontaminate all clothing worn throughout the day before showering.

Conclusion:

The academy will monitor the COVID-19 emergency and adjust to any official guidance or requirements.
