

EMT Hybrid Course- Spring 2022 (EMT courses MUST register at www.mccc.edu or call 609-570-3311)

Emergency Medical Technician (EMT) Prerequisite:

All students must obtain a Health Care Provider Level CPR card prior to the start of the class. Students will need to obtain a Stethoscope, B/P cuff and penlight for use in course.

During the Emergency Medical Technician (EMT) course, you will learn about human anatomy and physiology, pathophysiology, patient assessment techniques, management of common medical complaints, management of the trauma patient, administration of limited medications, and concerns for special patient populations. Course material will be presented through lectures, simulation labs, and clinical rotations where students will interact with patients. Successful course completion requires obtaining the minimal level of competency as outlined in the National EMS Educational Standards. After successfully completing this course, students will be eligible to sit for the National Registry EMT Certification Exam to obtain certification.

There is a 3 hour weekly in person lab sessions on Monday nights. 2 hour online exams during the week and six Saturday lab exams that are 8 hours each.. In addition to the weekly lab sessions, students should anticipate spending a minimum of 10 hours a week completing the online learning component and reading assignments. Those needing CPR Healthcare Provider card must attend 1/22/22 at 8:00am-1:00pm

Attendance at all sessions and keeping up with the online content is mandatory.

Textbook is required and link will be provided by email by Course Coordinator once registered.

Tuition: \$1,475
